**AP BIOLOGY SUMMER ASSIGNMENT**

The following assignments should be completed over the summer and are due on the first day of class. This has to be handwritten and will be counted as a part of a student's grade. Intro. to A.P. Bio. Students should work on Part 1 & 2 and others have to turn in Part 2 only.

**Part 1: 9/10th Biology**

Textbook: BSCS Biology A Molecular Approach

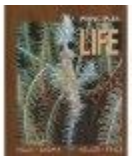
H.W.: Review all the systems especially structure and function of organs, ecology and turn in a checklist, which may look like the following.

| Concept | System | Resource & Time Spent |
|---|---|---|
| | | |
| | | |
| | | |
| | | |
| | | |
| | | |
| | | |

The following websites may prove to be helpful in understanding the concepts.
www.bscsblue.com
www.youtube.com (Bozeman biology)
www.cellsalive.com (animations)
www.khanacademy.com

**Part 2**

Textbook: Principles of Life by Hillis, Sadava, Heller, Price 2012(ISBN 978-1-4292-9117-0)



- Finish a chart for all vocabulary terms for chapters 2-14 (handwritten). The following chart may serve as an example.

| Term | Definition | Elaboration |
|---|---|---|
| | | |
| | | |
| | | |
| | | |
| | | |
| | | |
| | | |
| | | |
| | | |
| | | |
| | | |
| | | |
| | | |
| | | |
| | | |
| | | |
| | | |
| | | |
