D. 2017-2018 PAYMENT METHODS AGREEMENT

Registration Fees must be paid through RenWeb's Online Enrollment. Payment can be made by e-check, credit card, or by providing your bank account information. **Payments will NOT be accepted at the IFS Main Office.** After submitting the Registration Fee online, an option to print out a receipt will be provided. We urge Parents/Guarantors to save a copy for their records.

Tuition payments and Incidental fees will be processed through FACTS, a leading tuition management company that serves faith based schools. Families have the option after enrolling with FACTS in choosing (1) immediate full payment, (2) semi-annual payment plan, and (3) monthly payment plan over a 10-month period.

- **Enrollment in FACTS is required** for all parents/guarantors of IFS students (enrollment fee is pre-paid by IFS). Once you are enrolled, FACTS will debit your checking or savings account that you authorize. Parents/Guarantors also have a choice to make payments through their MasterCard, Discover, or American Express credit cards. If you select this option, each payment will incur a credit card convenience fee of 2.75%

Monthly Payment Plan: Parents/Guarantors who enroll for a 10-month payment plan must make their first payment by **September 20th 2017**. Subsequent payments may be arranged on the 1st, 10th, or 20th of each month depending on the parent's/ guarantor's choice. Parents/ guarantors will also have the option to make down payments.

Other Fees: Fees for all other activities and incidentals (e.g. extra-curricular events, special field trips, lunch, standardized tests, overdue library books, sports fees, apparel, etc.) will be the responsibility of the parents/guardians. IFS, at its discretion, may apply such fees to a families' payment plan with FACTS. IFS will provide instructions on how to pay such fees as they are incurred. Parents may opt for "Auto Pay" through FACTS which enables incidental invoices to be debited from a designated account on the invoice due date. If Auto Pay is not selected, parents must click on the link in the invoice email sent by FACTS to pay funds by credit card, check, or checking/savings account. If certain incidental fees are not billed through FACTS, parents may be required to pay these fees at the school office.

REFUNDS

Administration Fee: This is non-refundable.

Resource/Lab Fees: Refundable if parent/guarantor informs IFS in writing by **August 14th 2017** that he/she intends to withdraw child.

Other Fees: Fees for all other activities & incidentals are non-refundable.

Tuition: Parents/Guarantors are expected to pay the full annual tuition amount irrespective of early withdrawal, extended leave/absence, or dismissal from the school. Requests for tuition refunds may be considered if (1) IFS Administration determines that a child has special educational needs which it cannot provide, (2) extreme hardship caused due to extended period of unemployment. The parent/guarantor must submit a written request for a refund and provide supporting details

to prove hardship. If the request for refund is approved, the amount of refund will be determined based on the number of months a student has attended school and the amount of payments already received by parent/guarantor. The following chart provides an illustration of how the net amount due from parent/guarantor or refund due to parent/guarantor will be calculated under 3 scenarios. Please note that this is for illustration purposes only; each family account will be handled individually.

	<u>Scenario 1</u>	<u>Scenario 2</u>	<u>Scenario 3</u>
	Account current in monthly payments	Pre-paid annual tuition	Account is 1-month behind in payment
Annual Tuition Due	\$7,400	\$7,400	\$7,400
Monthly Tuition Amount (based on 10 months)	\$740	\$740	\$740
Number of months child in School	4	4	4
Adjusted Tuition Amount Due	\$2,960	\$2,960	\$2,960
Amount already Paid by Parent/Guarantor	\$2,960	7,400	\$2,220
Net Amount due (from Parent/Guarantor) or refund due to Parent/Guarantor	\$0	\$4,440	\$740

Notes:

1. The number of months a child is in school will be based on the 1st day of each month. For example, a child who was in school on December 1st will deem to have been in school for 4 months.
2. The earliest a request for refund will be considered is after November 1st 2017
3. Refund requests will not be considered after April 1st 2018

E. 2017-2018 FINANCIAL RESPONSIBILITY TERMS

Parents/Guardians will assume all financial responsibility associated with their child’s/children’s education at IFS and by signing the Online Enrollment Packet form agree to abide by the terms and conditions outlined below. If someone other than the Parent/Guardian assumes financial responsibility for the child(ren), the Parent/Guardian and the Guarantor must jointly submit a letter in writing to IFS. The letter must describe the relationship between the Parent/Guardian and Guarantor, include language that explicitly states the Guarantor assumes full financial responsibility, and be signed by both Parent/Guardian and Guarantor.

If Parents/Guardians feel that they will need financial assistance from IFS to cover the cost of tuition for their child(ren), they must agree to all terms and conditions in the “IFS Financial Assistance Policy and Instructions” and submit a financial aid application as per instructions listed in that document. Please note that financial assistance is limited and under no

circumstances will exceed 50% of total tuition costs. All other fees, including administration fee, resource fee, lab fee, and other fees must be paid by the Parent/Guardian or Guarantor.

FINANCIAL ASSISTANCE

Since the school depends upon tuition as the primary source of income, every family is expected to meet the prescribed financial obligations. A limited amount of assistance is available through the donors of Islamic Foundation of up to 50% for families meeting certain financial criteria. FACTS will manage all financial aid applications in order to provide IFS with a confidential and unbiased evaluation of the family's ability to cover costs of tuition. The fee for this assessment is \$30 (non-refundable) and the Parent/Guardian will pay this fee directly to FACTS. Further details are listed in the "IFS Financial Assistance Policy and Instructions" available in the main office or online by visiting our website at ifsvp.org.

DELINQUENT TUITION AND FEES

Tuition and fees are due on the 1st, 10th, or 20th of each month through FACTS. A non sufficient funds fee of \$30 is assessed by FACTS for each returned payment. All past due fees will be added to the tuition account.

If families are having financial difficulties in meeting their obligations, they are encouraged to contact the School early to discuss potential financial assistance options. Please be aware that:

- All accounts 30 days past due will result in a call from FACTS or IFS reminding you of your past due balance;
- All accounts 60 days past due will result in a call or letter from FACTS or IFS requiring the Parent/Guardian or Guarantor to come into the school to discuss payment options;
- **Student records will be withheld for delinquent accounts;**
- If Parents/Guardians or Guarantors fail to address the delinquency through a mutually agreed payment plan, IFS reserves the right to terminate the student's enrollment at school. Furthermore, IFS may exercise its right to refer the account to a collection agency. If we refer an account for collection, the Parent/Guardians or Guarantor will be responsible for all collection costs, including (but not limited to) attorneys' fees. We urge all Parents/Guardians or Guarantors to be responsible and proactive in handling this going forward to avoid any embarrassing situations for your child(ren).

PRIOR YEARS DELINQUENCIES

Students who are carrying delinquent balances from prior academic years will not be allowed to attend classes until their delinquency is taken care of by their Parents/Guardians or Guarantors. Please contact IFS immediately to address a delinquent balance if you have received a delinquency notice.

Notification of Admission Status/Renewal:

Parents/Guardians who are **not** seeking financial aid will receive a status report regarding admission within 3 weeks of submitting a completed online enrollment packet-. Parents/Guardians who are seeking financial aid from IFS, having applied and submitted all necessary documents, will receive notification after a financial aid award is determined, which is expected no earlier than **July 10th 2017**. Please note that IFS does not guarantee that it will be able to award financial aid. Registration at IFS is on a school year basis. No student will be guaranteed enrollment for the following school year, unless the Parent/Guardian or Guarantor enters into a new tuition agreement with IFS. By signing the

Registration Application form Parents/Guardians will agree to the above terms and conditions, including the obligation to pay IFS all charges for tuition and fees. They assume full responsibility for the financial obligations of their child/children enrolled in IFS.
