

Islamic Foundation School presents our annual...
"Math & Science Family Night"
2018

In Celebration of Math and Science Month

Assalamu Alaikum Parents of Grades KG-8th:

We would like to invite you to our Annual Math & Science Family Night on Friday, March 23 from 4 - 6 p.m. in our Student Union. During this event, parents will have the opportunity to join their child(ren) in completing a variety of math and science related labs and activities. This is an excellent chance for parents and their children to discover the meaning of math and science and how each is integrated into everything around us. Pizza and snacks will be sold at the event for your convenience.

In order for us to organize this program properly, we are asking that you complete the bottom of this form and hand in to your child's homeroom teacher (elementary) or Ms. Sana Jaddi (Middle School) by Friday, March 2, inshaAllah. Space is limited, so please reply promptly. Please note that students are NOT allowed to attend without parents.

(Cut here and hand in slip to your child's homeroom teacher or Ms. Jaddi by 3-02-18)
