Summer Break H.W. (this will be a part of the student's grade)

1. Make a list of 150 words/terms that must be handwritten, and include a definition and an example of the vocabulary word. The vocabulary words typically will come from the bold and italicized words from the textbook. Choose terms that you are less familiar with, to avoid redundancy and get the most benefit from this assignment. Separate the terms into sets based on the chapters that were referred.
2. Become thoroughly familiar with the APES exam by visiting the www.collegeboard.com website.
